BRICKBATS FOR BRITISH EMBASSY. Washington Does Serious

Malicious Injury. Washington, Dec. 15. British Embassy was subjected for several minutes tonight to a vicious and determined bombardment with brickbats by Joseph W. Pearson, a Washington printer. One of Sir Julian Pauncefote's daughters was struck on the foot and slightly cut by the first missile thrown by Pearson, several windows, storm doors and the great plate-glass doors of the Embassy, which were magnificently cut in a design of the British cost-of-arms, were smashed and ruined. The glass doors were imported and cost \$300 each.

Pearson was arrested. He refused to reply to questions. He is twenty-six years old, and has been working for electric street railroads recently. He had been drinking, but was drunk. It is thought that he is incane. Sir Julian has requested that Pearson be held until Secretary of State Hay can be informed of the incident tomorrow.

Pearson threw the first stone while the on United States terri tory, at the Embassy, which is British territory. The other British territory. brickbats were thrown when Pearson was on British territory.
